

## BACK TO SCHOOL

Hunt Military Communities Foundation (HMCF) and Operation Homefront are excited to collaborate again to bring school supplies to military children before the 2023-2024 school year. This year, HMCF secured 2,314 backpacks filled with school supplies and will be distributing them throughout August to HMC communities within the continental U.S. and Hawaii.

Each year, Active Duty Service Member school-age children between the ages of who reside in Hunt Military Communities homes are eligible to register for a backpack. This program, in its third year, aims to alleviate some of the financial burden military families face when getting their children ready for school by providing backpacks with a variety of needed supplies, including pens, pencils, paper, scissors, and binders all tailored to the needs and grade levels of the children.

Hunt Military Communities Foundation and Operation Homefront are proud of the partnership and this most worthwhile program that provides needed supplies to our military families.
