

OUR CEO'S MESSAGE

Dear HMC Resident;

The wildfires on the island of Maui resulted in catastrophic damage to Lahaina and significant loss of life. As this small town begins the process of rebuilding, those affected will continue to need support, compassion, and understanding.

Hunt Military Communities and the Hunt Military Communities Foundation are donating to Maui Strong, with monetary donations going directly to those needing housing, food, and clothing.

I ask HMC residents to join me in sending thoughts and prayers to those affected by these fires. While it may take years to rebuild entirely, our commitment is to support those affected so they receive the resources and support needed to navigate the unimaginable loss.

Semper Fidelis,

Brian Stann
President & Chief Executive Officer
Hunt Military Communities

COMMUNITY ANNOUNCEMENTS

With school back in session and children walking to and from the bus stops, please make sure to abide by the posted speed limits and come to a complete stop at stop signs. Parents, make sure children on skates, skateboards, bicycles, scooters, and motorbikes obey the stop signs as well. Too many times, staff and residents have seen children almost get hit by cars and delivery vehicles because the child ran a stop sign or didn't look both ways when crossing a street. We want everyone to be safe and to have a terrific new school year!

COMMUNITY IMPROVEMENTS

Surveys have gone out to the community asking for feedback on community improvements as well as your wish list. Please email our Community Director, Martha, with your responses at Martha.Allred@HuntCompanies.com.

MAINTENANCE CORNER

With fall upon us, Maintenance would like to remind everyone to check your furnace filters. If they need to be changed out, you can get a new filter at the Leasing Office for free. If Maintenance has not inspected your furnace and water heater this year, we ask that you call and schedule a time for them to come out and do that. They will replace your filter for you and check your exterior exhaust vents. Make sure to dust or vacuum the furnace intake vent, which is the large vent located in the ceiling or on top of the wall of the first or second floor (this vent does not require a filter). Also, make sure furniture and items are not covering or too close to the small register vents on the floors and ceilings. It's a good idea to vacuum those out as well once or twice a year.

HMC HELPING HANDS EVENT IS COMING TO YOUR PROPERTY BETWEEN SEPTEMBER 18TH - 29TH

IMPORTANT EVENTS

Fill Out SatisFacts Surveys

On September 6th don't forget to complete your Maintenance and Move-In Surveys. Check your email or set up text notifications at <https://sms-register.satisfacts.com/>.
