

COMMUNITY DIRECTOR UPDATE

JANUARY 1, 2025

COMMUNITY NEWS

We had an amazing time at our Santa event—thank you to everyone who came out and made it so much fun! It was a wonderful way to celebrate the season and connect with neighbors. This December, we're excited to welcome two new families to our community. Welcome home!

COMMUNITY UPDATES

Important Reminders: Trash Containers & Window Replacement Update

Overflowing Trash Containers

We've noticed an increase in overflowing trash containers. Please remember that the lid must be able to close completely. If not, you may incur a fine. Let's keep our community clean and tidy!

Window Replacement Project Update

The window replacement project is now **30% complete**—thank you to everyone for your cooperation during this massive undertaking! If your windows have not yet been replaced, here are a few simple steps to help the process go smoothly:

- **Clear Furniture:** Move all furniture away from windows marked with circular stickers. If stickers have fallen off, please clear the area around all windows.
- **Fragile & Personal Items:** Remove any fragile or personal items from window areas.
- **Blinds:** Open blinds and pull the slats to the top of each window.
- **Pet Safety:** For the safety of your pets and the vendors, please keep pets kenneled during work hours. Also, make sure to remove pet waste from the yard.
- **Supervision of Children:** If children are home during the work, they must be supervised by an adult (18 or older) for the project to proceed.
- **Window AC Units:** Please remove any window air conditioning units and ducting prior to work being done.

We appreciate your help in ensuring a smooth and efficient process for everyone!
