COMMUNITY NEWS

Tenant Satisfaction Survey (TSS):

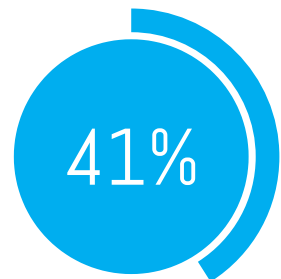

The Tenant Satisfaction Survey will be emailed to all residents on Monday, March 3, 2025. Your feedback is crucial in supporting housing projects like lighting upgrades, and sidewalk repairs. It also helps us understand what matters most to you within the community. Be on the lookout for your survey and keep an eye out for upcoming community events where you can learn more about the survey and win prizes!

New Families:

We are excited to welcome two new families to our community! We're thrilled to have you as part of our neighborhood and look forward to getting to know you better.

Window Replacement Project Update

The window replacement project is now **41% complete**. Thank you all for your cooperation, it makes the process so much easier when you are ready by the time the vendor arrives. We appreciate you!

MAINTENANCE TIPS

Garbage Disposal Maintenance

To keep your garbage disposal running smoothly, always use cold water when operating it, avoid putting hard or fibrous items (like bones, grease, or glass) down the disposal, and never place your hands or utensils in the running unit. If it stops working, press the reset button and check what was recently processed before calling for maintenance.

RESIDENT SURVEYS

In the month of January, we completed **62 work orders** and received **7 work order** surveys for an overall score of 4.89 which is exceptional! Great job Harrison and Charles, we appreciate you! Please keep filling out the surveys, your feedback is important.
